

South Tower

Welcome to the apex of Miami living.
Rising above the coastline from Brickell Key,
The Residences at Mandarin Oriental, Miami,
offers an elevated expression of island living.

Developed by Swire Properties, these sophisticated homes
bring distinct touches of glamour, stunning panoramic
views, and a cosmopolitan resort lifestyle together
with Mandarin Oriental's legendary service.

The 66-story residential South Tower is adjacent to an all-new Mandarin Oriental hotel destined to be the North American flagship. Accessed through a private porte cochère, the refined residences, ranging from two to five bedrooms, feature spacious floor plans creating seamless indoor/outdoor living with unobstructed vistas. The Residences come with full access to the expansive podium with pools, forest trails, private casitas, and other unparalleled lifestyle amenities.

South Tower Porte Cochère

Secluded and sophisticated, The Residences is an island on an island.

An exclusive oasis of calm, The Residences offers a refreshing retreat, while being only moments from the vibrant city center.

Swire Properties

Developer

More than developers, Swire Properties are place makers and place keepers in the business of creative transformation. Headquartered in Miami since 1976, the company is the U.S. real estate arm of the British-born Swire Group, an international conglomerate with a diversified portfolio of businesses. Their portfolio includes commercial, retail, hotel, and residential properties in Miami that they develop and manage.

Mandarin Oriental Hotel Group

Hospitality Operator

Mandarin Oriental Hotel Group is the award-winning owner and operator of some of the world's most prestigious hotels, resorts, and residences. For almost 60 years, the Group has grown from its original flagship properties in Asia to key business and leisure destinations around the world. With a commitment to being the best global luxury hotel group and an innovative leader in the luxury hospitality industry, Mandarin Oriental makes it their mission to delight and inspire guests at every opportunity.

World-Class Talent

The Residences at Mandarin Oriental, Miami, brings together world-class talent to execute every aspect from development to the finest details.

Kohn Pedersen Fox

Architect

Kohn Pedersen Fox (KPF) is one of the world's preeminent architecture firms, providing architecture, interior, programming, and master planning services for some of the most forward-thinking developers, corporations, entrepreneurs, and institutions in the U.S. and around the world. Driven by individual design solutions, rather than a predetermined style, KPF's mission is to create buildings and places of the utmost quality and contextual sensitivity. The firm's extensive portfolio spans more than 40 countries and includes a wide range of projects from office and residential buildings to civic and cultural spaces to educational facilities.

Tristan Auer

Interiors, South Tower

Tristan Auer designs beautifully sensual and singular interiors. He operates with the style of a stage director, his client being both the main actor in his screenplay and an accomplice in the ongoing quest for elegance. His extremely rich and aesthetic vision finds its finest expression in vibrant color, lights, and era mixes. As an ambassador of a certain French "art de vivre," Auer combines a modern vision with arts and crafts excellence to give a new definition of contemporary luxury.

Shma

Landscapes

Shma (meaning "the earth") is a creative landscape architecture platform with multidisciplinary professions that collaborate to deliver meaningful and thoughtful designs that deal with increasing environmental challenges to create a better earth. A community of landscape architects, technicians, horticulturists, strategic designers, media makers, and researchers, the diverse team actively exchanges ideas and works collaboratively to generate transformative strategies and to deliver tangible and measurable landscape designs that enhance social and environmental sustainability.
